

Ben Callahan Sports & Fitness Complex

Our friend Ben Callahan, a stand out three-sport athlete, musician, scholar, and humanitarian passed away in a drowning accident. His reach amongst the local community was immense and his legacy has spread internationally. Ben's infectious smile, boldness, compassion, and character brought together thousands of people in the wake of his death including family, friends, teammates, coaches, bandmates, opponents on the field, and countless lives who have had been impacted by the way he lived. As we mourn, our family and community have grown closer. We remember Ben's crazy spirit that reached for the extravagant but always looked to help others in need. We hope to enhance educational needs, sports teams, fitness and enrichment and gifted programs!
